Title / Summary	**Premature Password Expiration**
Project Name	Adactin Hotel Reservation System
Priority	**High**
Severity	**Critical**
Environment	OS: Windows 11, Browser: Chrome (v120), Environment: QA/Staging
Status	**New**
Reporter	Anuththara

1. Steps to Reproduce:

- **Step 1:** Navigate to `https://adactinhotelapp.com/`.
- **Step 2:** Register a new user and login successfully.
- **Step 3:** Logout and wait for 48 hours.
- **Step 4:** Attempt to login again with the same credentials.

2. Actual Result: The system displays an error: *"Invalid Login details or Your Password might have expired"* and prevents the user from accessing the dashboard.

3. Expected Result: The user should be able to login successfully.

4. Evidence:
